

# Spreading the News

## 21<sup>st</sup> January 2025

The Snow and Ice may have gone for now ...

But Winter is not over yet !!

In **Spreading the News** this month we're going to have another look at some of the things you should have in your Winter Plan ...

# Spreading the News

Here are some Plans ...

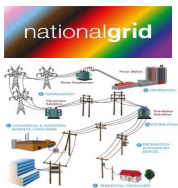

**1. Bad Weather ... emergency food supplies**

**Page 3**

**2. Keeping Warm**

**Page 4**

**3. Power Cuts**

**Page 5**

**4. Mobile Phone**

**Page 8**

## 1. Bad Weather

In case the weather gets too bad to go out ...

It's a good idea to buy some emergency food supplies now

Easy to cook tins and packets of food, long life milk, are easy to store

# Spreading the News

## 2. Keeping Warm

If it's cold wrap up well

If you go out ...

hat, scarf and gloves will help to keep you warm

Good footwear is also important ...

Take extra care on icy slippery pavements

# Spreading the News

In home ...

A hot water bottle and a warm blanket are good ...

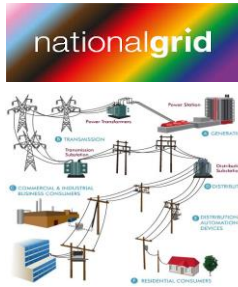

And can help you save on heating bills

# Spreading the News

## 3. Power Cuts

In case of a power cut  
have you joined the ....  
Priority Services Register ?

The Priority Services Register  
provides extra help and  
support if there is a  
power cut

You can join at ...

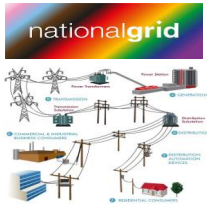

<https://www.nationalgrid.co.uk/customers-and-community/priority-services/priority-services-register-promise>

If you are not already a  
member ask someone you  
trust to help you join ...  
Priority Services Register

# Spreading the News

Another very useful thing to have in case of a power cut...

- A torch and batteries

- In a handy, and easy to reach, place

# Spreading the News

If the lights are out for a long time ...

- A battery lamp

- Is safer than candles

# Spreading the News

## 4. Mobile Phone

In an emergency your Mobile Phone is a good way to contact someone you trust ...

- Make sure your Mobile is always charged

- At night have your Mobile at the side of your bed

- But do not have it on charge while you are asleep
