#### 1. Colds and Flu

Both Joyce and Bennie have already had their Flu and Covid jabs

So they both have less chance of catching Flu and Covid this Winter

Check with your doctor or chemist to find out if you can have Flu and Covid jabs

#### 2. Bad Weather

In case the weather gets too bad to go out ...

Joyce and Bennie have bought some emergency food supplies

Easy to cook tins and packets of food are easy to store

#### 3. Keeping Warm

If it's cold Joyce, Bennie, and their friends, are going to wrap up well

If you go out ...

hat, scarf and gloves will help to keep you warm

In your home, a hot water bottle and a warm blanket are good ...

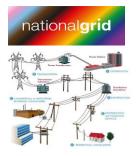

And can help you save on heating bills

#### 4. Power Cuts

In case of a power cut Joyce and Bennie have joined the .... Priority Services Register

The Priority Services Register provides extra help and support if there is a power cut

Maria helped Joyce and Bennie to join at ...

If you are not already a member ask someone you trust to help you join ... Priority Services Register

Another very useful thing Joyce and Bennie have in case of a power cut...

• A torch and batteries

In a handy, and easy to reach, place

In an emergency your Mobile Phone is a good way to contact someone you trust ...

- Make sure your Mobile is always charged
- At night have your Mobile at the side of your bed

 But do not have it on charge while you are asleep

## Keep Safe and Warm this Winter
