Other things to Be Prepared
... just in case

Make sure you have a torch
or battery powered lantern

They are safer than candles

Make sure you have enough
batteries

Spreading the News

Make sure you keep your mobile phone charged up

Make sure you have the numbers of family, friends, people who can help, saved on your phone

If your electricity goes off call 105 on your mobile to tell Northern Powergrid

Spreading the News

Have a hat, scarf and
some warm clothes ready
... just in case

For more information on the
Priority Services Register, and
keeping safe and warm this
Winter, go to the Speakup
website ...
